

DRAWING THE NEW DEAL

(Assmt #1 Term 3)

Instructions:

- Watch the [Crash Course: The New Deal](#) and while watching it draw a picture of your interpretation of one of the aspects of the New Deal. Pay attention to the different programs that were introduced and if those programs actually made a dent in unemployment or if they just masked the problem.
- Draw your picture on a blank piece of paper . . . do your best, even if you have to do it with stick figures. Try to show your opinion or take on the New Deal. Make your picture worth "a thousand words".
