## Term 1 Test: Historical Thinking Skills Test Skill-by-Skill Breakdown

**Step 1:** Put a check mark in the box below the number of each question you answered correctly. Leave the box **empty** if your answer was incorrect.

**Step 2:** For each incorrect question, write the correct answer in the box below the #.

**Step 3:** Write the number of questions you got correct for each learning target.

**Step 4:** If you reached the mastery target, have your teacher stamp the station box. If you did **NOT** reach the mastery target, you qualify to come to flex to relearn those skills and make up some points on the exam.
